

Westwood Ski Club's 2019 Water Sport Trips

Celebrating 56 years (1963-2019)

This year promises to be another great year of waterskiing, wakeboarding and wake skating in the Sacramento Delta where the water level only changes with the tides (and this year excess snow melt). Our water sport fun will be based at Turner Cut Resort in Stockton. Turner Cut is a full service marina and campground, located just a few miles from downtown Stockton.

Westwood invites you to join us for waterskiing, wakeboarding and/or wake skating, boating and relaxing this summer. We offer three day and two day trips. And, depending on boat availability, one day trips maybe also be available. The more days you participate, the better the deal!
